

Old Ively Road Closure and Diversion

From Monday 16th May Old Ively Road will be closed for approximately 8 weeks as part of the Esso Southampton to London pipeline project.

Diversion signs will be in place while the road is closed and we hope these directions will help you find us easily. We have copies available on our website if you have people coming for a party. If they are coming past the Norris Hill Roundabout we would suggest they allow an extra 6 minutes to follow the full diversion.

Thank you for your patience and continued support during this disruption.
